Message from Lesley

Over the next month or so there will be some changes with regards to how we communicate with you. We are in the process of loading a new platform for us to contact you and keep you updated with your child's progress. We feel this programme gives us easier opportunity to manage parents, children and staff. We will be sending out new registration forms. Please would you download the eyLog programme to your phones so you can get access. Please bare with us over the next few months, as like most new things; there may be some teething problems. Please be patient whilst we sort the out.

We are in the process of extending the Buttercups room, our expected completion date is January 2022. Fingers crossed.

This just leaves me to firstly thank you all for your continued support this last year, to wish you all a very Merry Christmas and a Happy, Healthy, and prosperous New Year. We hope 2022 is good for you and may all your dreams come true.

Employee of the month

The employee of the month is Emma. Emma has been an integral part of developing Scribbles Coopersale this year. She has just finished her Level 3 in Childcare. Well done Emma!

Office

We are currently in the process of setting up and moving over to a new system called eyLog, this will be replacing Tapestry from January. We feel it is a lot more advanced for the nurseries current needs and generally more user friendly for both parents and staff alike. We will be sending the registration emails out shortly. In the meantime, please download eyLog parent to your phones and look out for the registration email to update and submit your child's details.

Daisies Room

This month in Daisies room we have really enjoyed our theme of "nursery rhymes", it's been so nice learning and singing new songs each week and the children have done so well learning some of the actions so they can join in. We have enjoyed celebrating two special first birthdays and have also been busy looking at autumn and Halloween where we have been getting creative. We are also looking forward to our fireworks messy play morning. Can I please take this opportunity to remind all parents to keep checking tapestry as this is where you see any updates on memo's about what's happening in the nursery.

Buttercups Room

This term in Buttercups we have been doing lots of painting, sticking and getting very messy! We have mainly been focusing on our speech and language skills. Thank you to all of our parents who came in to have a coffee and a chat with myself and Lesley...it's been lovely getting reconnected with you all after the past year and a half. We have some exciting changes coming to our room soon as we will be extending into next door. We will keep you all updated with the changes! We have had so much fun getting prepared for Christmas and are looking forward to the festivities!

Bluebells Room

This month in the Bluebells we have well and truly got in the Christmas spirit! We have had so much fun playing with Christmas related activities such as building our very own snow man, playing with a snowy train track and playing with the arctic animals in the ice! We have also started making lots of crafts that we can't wait to send home with them at the end of term. As it is starting to get very cold please can you ensure your child is brought in with weather appropriate clothing, we have boxes to keep wellies here and you're also more than welcome to keep a wet suit with us. I also just wanted to remind all parent that our room is a messy play orientated room and sometimes your child and their clothes may get a bit mucky so please make sure they are wearing clothes that you don't mind getting dirty.

Peonies Room

We have been extremely busy this month sparking the month off with fireworks pictures and learning about fire safety moving swiftly to Christmas with all of our Christmas crafts and reading lots of stories about Christmas getting ready very early for Santa to come to our homes. The children have been very busy making their families lots of lovely things to take home. Also a big thank you to all the parent/carers that have brought in lots of stuff for our recycled Christmas project and also for providing the shoe boxes.

Sunflowers Room

We have had a lovely month in Sunflowers. We have been very busy; we have been doing lots of Halloween crafts; as well as bonfire activities. We have been learning our Christmas songs for our nativity; as well as making Christmas crafts to decorate the room. Just a reminder, we won't be keeping wellies in our room, so if you would like your child to wear wellies, please send them in with them on and we will send them home at the end of the day. Thank you, The Sunflower Team

Dates for your diary
