### Message from Lesley

Four of our lovely staff members have graduated, completing their level 2, whilst we have been at this nursery, Louisa, Perin, Hava and Chloe. Perin and Louisa are continuing onto their Level 3 in childcare. Well done for all your hard work and commitment you have to the nursery and helping to make it the homely place it is today. As always at this time of year we are sadly losing some of our staff, some of them long term staff; Paula is leaving Early Years and going onto pastures new. We wish her every success in her new chosen field and thank her for all the hard work she has put into the nursery over the last 6 years. Charlotte has decided to return to nannying, we wish her good luck in her new position. Jade and Evie are leaving, after deciding to pursue other avenues as a career. We have new staff waiting to start.

Sadly, also this term we are seeing 31 children off to the next step in their education. Good luck to everyone I know you will all be amazing.

Lesley x

Ps. You will soon be seeing a lot less of the staff here at Scribbles. Many of us are dieting. I will be giving a monthly running total of our losses.

### Our School leavers

We are wishing good luck to all our 31 school leavers! We are very proud of you all and we will miss you. Have a lovely summer break and hope to see you again soon!

### Champion reader award

Ivy has been awarded as a champion reader in Peonies room! She has been amazing reading the words and recognising letters and sounds. Well done Ivy, you are a star!

### Office

Our prices have remained constant now for the past two years, our setting has changed in the past year and as I am sure you are all aware our overheads are much higher than they were in our old premises. We normally do a fee review in April of each year but this year to try and allow people to recover from a difficult year we will be doing a fee increase from September. Please see attached the new price list.

Who to contact in what matter?

## Daisies Room

This month in Daisies room we have been busy looking at our termly "dear zoo" book and learning about a different animal each week. We also had fun celebrating England getting into the finals and dancing with Jo Jingles on our end of term party. We are also very sad to see both Evie and Charlotte leave but we wish them all the best in their new adventures.

Can I remind all parents to apply sun cream on their children before attending nursery in the mornings and to provide a hat. We have also been finding calpol and other medications in the children's bags, could these please stay at home unless needed and then we need to be notified and a medication form needs to be signed. Thank you

## Buttercups Room

This term in Buttercups we have been splashing around lots in the water and exploring different temperatures. A class favourite this term has been our fishing set where we catch the fishes in the nets and practise our colours. The children have also loved the toy ducks and we have been practising our '5 little ducks' song. As well as our usual messy play such as gloop and paint, the children have enjoyed mark making with pencils and chalk and running around our lovely garden and playing pirates on the pirate ship. The children are getting really good at sitting for longer periods of time on their ladybird cushions for story and song time.

## Bluebells Room

This Month in the Bluebells room we have enjoyed exploring lots of different textures such as paint, shaving foam and mud, the children have loved feeling the sensory materials on their hands and feet. We have also been talking about the weather and how we keep safe in the sun as well as having lots of water fights to keep ourselves cool. Please make sure your child's bag is full of spare clothes as we are going to be getting very wet and messy over the summer holidays and could you please bring in a labeled cup for your child to have access to throughout the day.

## Peonies Room

We have had a really busy July in the Peonies room. We have been having so much fun! We have been busy practicing for our show and had our show filmed. We have had our graduation and we have been busy practicing for our sports day. We have had our end of year nee naw party, which the children really enjoyed. We want to wish all of the Peonies children all the luck at school and we will miss them lots!

## Sunflowers Room

We have been very busy this month exploring lots of different activities that we have had planned. We have been mixing colours to see what colours we can make, we have had lots of fun playing with the water in the tough tray and exploring different textures through play. We are very happy with the children and how they have been progressing this past term the children in sunflowers have become very confident in following the routine and are getting so independent with their self-care and have been doing so well. We have all enjoyed having the children with us and are now sad to let them go off into the next room before they go to school next year and wish them all of the luck in their next room :).
