### Bag2School

You really have excelled again. What a brilliant bunch you are. The bags for school man came and took the donations on Monday morning. We have raised £60! Thank you all so much for your generosity. We will do this twice a year. Thank you all again so much. 😊😊

### Employee of the month

Lily came to Scribbles almost 3 years ago for work experience when she was 16. Then she has done her level 2 and working towards her level 3 in childcare. Lily has worked tirelessly to help improve Bluebells room and always there on extra days to help. She never moans about anything, she just gets on with it and supports her colleagues. She is an excellent team player. And she always has the best interest of the nursery. Well done Lily, you are a star!

### Office

Unfortunately we have had hand mouth foot disease in the nursery, but luckily it's all cleared now. We still got couple of cases of conjunctivitis in Bluebells room.

We will be sending out a new parent's contract in July which the parents will need to read sign and return please. Our prices have remained constant now for the past two years, our setting has changed in the past year and as I am sure you are all aware our overheads are much higher than they were in our old premises. We normally do a fee review in April of each year but this year to try and allow people to recover from a difficult year we will be doing a fee increase from September and the details will follow.

### Message from Lesley

Thank you everyone for your support this last term. It has been very busy. We welcomed back our extracurricular clubs, which has been fun seeing everyone again and I think the children have been keen to start these lessons up again. We also see the start of our RAFT sessions start up again. This is a very useful thing to do as the children maybe gain a bit more confidence. Learning road safety is very important. We have also been learning about vehicles that help us and also first aid. Which I am told went down really well with parents being practiced on and bandaged etc. They are so cute.

Lesley

## Daisies Room

This month in Daisies room we have been reading our new termly book "Dear Zoo" and looking at the animals: elephant, giraffe and lion. We have been exploring different materials and learning the colours grey, yellow and orange, as well as new words such as: big, tall and fierce. We have enjoyed walks outside where we have tried to look for different animals. Can I remind all the parents to please provide sun hats and to apply sun cream on to your children prior to attending nursery as we have had some extremely hot weather lately.

## Buttercups Room

This term in Buttercups we have been spending lots of time slashing around with water play in the garden. We have been exploring ice mixed with paint and various other materials like jelly and rice. We have been working lots on our communication and language with reading lots and lots of books and singing many nursery rhymes, the children are getting so good at the actions! We have been learning the song 'who's here today?' to help learn our friends and our teachers names. The children have loved getting messy with gloop and flour and absolutely loved celebrating Father's Day and created some beautiful crafts for their daddies.

## Bluebells Room

This month in the Bluebells we have welcomed three new staff members, Nina, Victoria and Becky. We are all enjoying getting to know all of the children and making relationships with you parents. This term we are moving onto our new room theme which is Numbered Nursery Rhymes. We have loved making our very own five little ducks, counting 1,2,3,4,5 with the colourful fish who bit our fingers and making 5 cheeky monkeys who jump on the bed. Could we please ask everyone to bring in a name labelled bottle of sun cream, labelled hats and a labelled water bottle for your child to keep at nursery and if your child has recently turned two can you please provide us with some nappies.

## Peonies Room

This month in Peonies we have been very busy. We have been rehearsing for our show and practicing our jolly phonics. We have been doing cooking once a week, which the children and the staff have really enjoyed. We have started learning about road safety, as well as learning about first aid and having refreshers on this every couple of weeks. We have been enjoying making arts and crafts for our display board, as well as doing lots of activities in the garden, enjoying the summer sun. Please could I kindly ask that your child's sun hat is clearly named.

## Sunflowers Room

This month in Sunflowers we had a busy start with our teddy bear week. Thank you to everyone that dressed up in you Pj's we had so much fun! We have been practicing our physical development with lots of different activities. Thank you everyone for putting the sun cream and sunhats on your children in the morning we hope the nice weather continues so we can have lots of fun in the garden. We are continuing on working to help the children by becoming more independent so if you can make sure that your children still have shoes they can put on by themselves this will help.
